

# Ines HAMMOUDA

## ARTIST PAINTER

An energetic and high-performing individual, capable of quickly managing new projects. Able to seize all new artistic opportunities for continuous improvement

### About Me

After graduating with a degree in Anesthesia-Resuscitation, I chose in 2019 to dedicate myself fully to my artistic career. Since then, I have been creating bespoke artworks tailored to my clients' identity and expectations. I have participated in numerous national and international exhibitions, as well as artistic performances, which has strengthened my presence on the Tunisian and international cultural scene.

### Professional Experience
